

The Battle is Fixed 1 Sam 13:14

We have talked about fighting the battles  
of this life with not earthly weapons but  
heavenly ones. Joshua, Gideón, Deborah  
andaphat. Tonight we will look at the  
Battle between David and Goliath and  
concentrate our thoughts upon the fact  
that the Battle is Fixed. It is impossible  
for us to lose. I read the last chapter  
and in the end we win. No matter how  
many skirmishes and failures we have along  
the way, when it's all said and done  
victories ours. It's a fixed fight it doesn't  
matter what happens in the middle. David was  
a Giant Killer, fact he killed Giants, <sup>Goliath, Demas</sup><sub>Samson, Goliath</sub>

I. The Strength for the Battle - If you get this feeling like you want to get into the Giant killing business, you might want to give it some thought... How did little old David have <sup>5th</sup> A. He was Scripture-filled - 1 Sam 13:14 God is down on Saul and has turned his attention toward David. In this verse it says that the Lord.... after his own heart, declares that David was Theologian, A Studier of God. Meditating and musing on God. Ps 1:3 day + night not a billion morning and little @ night but every snacking hours. He would take truth and chew on it as a green chrysanthemum, until it becomes like a ripe peach.

B. He was Spirit-filled - 1Sam. 16:13 Samuel is anointing David.. Spirit of Lord come upon him. He was a Spirit filled man. You are no match for the Giants of this life w/o the Spirit of God. David was saturated w/ the spirit of God. Do you know anything of the working & filling of Holy spirit in your life? Like the old sailors used to have my soul up waiting for wind of God to lead. Have you been sealed w/ Spirit carrying banner for Rep. of no

## II The Soldiers in The Battle - Ch 17

we get into the real battle between David & Goliath. The showdown between an unlikely pair. We see first a ..

A. A Haughty Soldier - Ch 17:8 He cries. He said it at the top of his lungs. He thinks he's won the battle. But David knows he's won the battle. Big Difference vs 14. Goliath is acting like a Threshread pitted against a nut, what he don't know is that he's a poodee sniffing around a Petauler. Goliath is a prideful and Boastful Soldier. Prov 16:18 pride goeth before destruction...

B. A Humble Soldier - VS 45 "Said" it means it was said in a normal tone, cl come from a family of loud people. We just loud. cl preach loud, and when cl make point cl feel like cl get to be even louder. like

David had a heart for God and God let him write a good portion of the Old Testament. And in his life God lets us know that the battle is fixed.

**Psalms 1:2** But his delight is in the law of the LORD; and in his law doth he meditate day and night.

**But if you are going to take on giants you better be scripture filled.**

**Colossians 3:16** Let the word of Christ dwell in you richly in all wisdom...

If not run from Giants. Get out of their way, run and hide. You can't win.

**Proverbs 16:18** Pride goeth before destruction, and an haughty spirit before a fall.

What is that about David? David never need to fight. He packed his bags and ran. He had a long walk to get to safety. He was never ever ready for his enemies. The problem is that we must be strong with the word of God to defeat the wiles of the devil.

Read 45-47 David knows he's won the battle. How? Probably while he was on the way over to the battle field he was chewing on that cud, that word of God making it a part of him. He's been yielded to the Spirit. Vs 48 David ran toward the enemy. Not defensive but offensive. Lot of churches say we need to defend the church, or the bible or theology. They are on the defensive. We have the ball, Christ defeated death hell and grave. We should be on the offensive.

Same is true in our Salvation. God demands a bulls eye we can't hit it with baptism, church membership, morality or works. But Christ takes the shot at the cross and hits it dead center and invites us to step up hold the bow and arrow like we shot it and pose for the picture. It's providentially fixed!

What if that sword would have been dull? David might have been hacking an might have roused a knocked senseless giant. He might have had his hands full. The principal for us is that we must be sharp with the word of God to defeat the wiles of the devil.

H.S. need help or something Read 45 The mark  
of a spirit filled man or woman is not in  
the loudness of voice, but in that soft speech.  
Yelling doesn't help your kids. One found  
recently got more response from a whisper. Gets still

### III. The Strategy of The Battle

How did David go about fighting this  
battle. If we are going to tangle  
with Giants we need to know this.

#### A. A Strategy that is Providence rally Fixed

VS. 49 "Slings" He slung it. Baseball  
when I was kid, slings it meant it was out of  
control. His slings wasn't one of these ~~→~~ but  
one of these ~~→~~ These aren't accurate.

David not shooting bows. This circular pattern  
speaks of eternality, Providence, sovereign control.  
David says I done won this battle all I got  
to do is let it go. behind back under leg when he  
lets it go God will take it to the designated stop. Rugby, Fins

#### B. A Strategy with a Principle to be Followed

VS 49 David prevailed! Holy Ghost  
screamed that stone and went right  
into the forehead of Goliath. David  
then took a sword and cut his head  
off. Which killed Goliath the slay  
or sword. Note the word smote in VS 49 = render  
powerless. The cross of Christ renders Satan  
powerless. VS 50 slew = to put to death kill  
the sword is Jesus a Diabolical word of God.

## IV The Satisfaction of the Battle / Chon

David was a giant killer. He did so because of the scriptures and the <sup>broken</sup> ~~broken~~ spirit. But we can draw one last application.

### A. An intimate Satisfaction - David

reigned in Hebron and Jerusalem - Hebron = intimate oneness - Jerusalem - city of peace. David was not perfect but wanted to be one w/ God. He panted after God's own heart. God gave David that internal umpire that blows the whistle when He steps out hands. Ex Typewriter. A lot of what David wrote in Psalms was the outpouring of that peaceful internal walk w/ God.

### B. An investment Satisfaction vs 28

Says he lived to a good old age, "full of days." only said about 3 other people in Peoples Bible. The phrase indicates a substantial investment in the future. Though "invested enough" some at the end of life say, "I wish I'd have done more for the Lord." Not David. I've invested my life in God, I have no regrets. I'd like to die like that. Have you brought in the world things or is better.
